The image shows a 'Alert Settings' dialog box with a blue header bar. The header contains the title 'Alert Settings' on the left and three icons (a gear, a minus sign, and a close 'X') on the right. Below the header is a tabbed interface with six tabs: 'General', 'Design', 'Event', 'Typography', 'Color & Background' (which is selected and highlighted), and 'Animation'. The 'Color & Background' tab contains several settings:

- 'Box Background Image / Color' with a dropdown menu currently set to 'Image'.
- 'Background Image' section with an 'Image library' icon (a square with a green plus) and two dropdowns: 'Background Size' set to 'auto' and 'Background Position' set to 'Left Top'.
- 'Border Color' section.
- 'Main Alert' and 'Inner Alert element' sections, each with a preview area.

At the bottom of the dialog are two buttons: 'Close' (grey) and 'Save changes' (blue).

**Color & background:** On this tab you can customize color and background of alert.

- **Alert background image or color:** The main background of alert.
  - **Image**
    - **Background image**
      - Select image
